

BOSTON STRATEGIES INTERNATIONAL

; fYH]b[g°

Have your supply chain operations been affected by the uprisings in the Middle East? The earthquake in Japan? The unavailability of raw materials from China? Are you prepared for a multi-pronged supply interruption? Supply chain realignment is the art of adjusting procurement and logistics operations to new circumstances, quickly

Careers at BSI

Erik Halbert was promoted to Principal. Erik has led dozens of supply risk assessments in the past year, and he was also the key BSI point of contact for a major strategic sourcing program that reduced costs by 22%.

Fei Rong was promoted to Manager. Fei has successfully executed sourcing strategy and execution projects on many specialized materials such as Oil Country Tubular Goods (OCTG) and rare earths.
