

# BOSTON STRATEGIES INTERNATIONAL

There are only four primary supply chain strategies. David Jacoby's new book, [The Guide to Supply Chain Management](#), published by The Economist, provides a recipe for executive success in supply chain management, including how to use the supply chain to generate **revenue**.

Please click [here](#) to purchase the book in the US or Canada, or [here](#) for other locations. The book is also available through major booksellers.

# Meet Aayush Dhawan

Aayush Dhawan, Research Associate, is researching supply markets for Boston Strategies International's commodity research and economic forecasting program. Applying risk measurement and analysis tools that he learned while working in Citibank's Treasury department, and international trade experience from working for manufacturers and free trade zones in India, Aayush brings a global perspective on the macroeconomic situation and an expertise in Near East emerging economies. Aayush attended St. Anne's College at Oxford University. If you want to speak with Aayush, please email him at [adhawan@bostonstrategies.com](mailto:adhawan@bostonstrategies.com) or call him at (1) (781) 283-5789.
